STUDENT PRIVACY

FERPA — or the Family Educational Rights and Privacy Act — is a federal law that protects the privacy of student educational records. Saint Louis University can only share certain student information with parents if the student has provided consent on their application form, and the parent's contact information is listed.

Learn more about FERPA at

ACADEMIC INTEGRITY

As an 1818 student, you are also considered a SLU student and must adhere to all academic integrity policies. Any student found guilty of academic dishonesty will be subject to the disciplinary sanctions held by both Saint Louis University, and your high school.

AND SCHOLARSHIPS

COST AND BILLING

The tuition rate for 1818 courses is \$75 per credit hour. Most courses are 3 credit hours, totaling \$225.

Exceptions include lab courses (1 credit hour) and select math courses (4 credit hours).

Your current balance owed can be found on your emailed billing statement that is sent after the registration period each semester. Families should not attempt to pay until they have received a bill.

PAYMENT DUE DATES

FALL/YEARLONG DEADLINE: **DECEMBER 1**
SPRING DEADLINE: **MAY 1**

LATE AND NONPAYMENT

All students with an outstanding balance on their account beyond the payment deadline will have the following holds placed on their account:

- A registration hold, preventing registration for future 1818 coursework

There are no late fees for late payment. Once payment has been received and processed by SLU, all holds will be lifted from the account.

Students will not be unenrolled for nonpayment. Students that fail to withdraw by the provided deadline will still be responsible for paying for coursework and will receive their assigned grade on their SLU transcript, even if it is a failing one.

PAYMENT

Payment can be submitted online or via check in custom installments. SLU does not accept payment over the phone.

PAY ONLINE

To complete an online payment, you will need the student's banner ID number and tuition amount. If you do not receive this information within a month after the **registration period** ends (via email or mail), please contact 1818@slu.edu.

SLU accepts the following online payment methods:

- Payment via Bank Account
- Credit Card (payments made by credit card incur a nonrefundable 2.85% fee)

PAY BY MAIL

Write check payable to "Saint Louis University." In the check memo line, put the student's full name and Banner ID number. Mail your check to:

Saint Louis University
P.O. Box 790165
Saint Louis, MO 63179

SCHOLARSHIPS

Scholarships are awarded by the high school's 1818 coordinator. To inquire about funding, please contact them as soon as possible. If you're not sure who your coordinator is, contact 1818@slu.edu.

MYSLU

Every SLU student, including those in the 1818 Program, has a MySLU account that provides access to their class schedule, grades, and other campus-wide services. Once a student is enrolled in the 1818 Program, they will receive an email with login information for their account.

[www.myslu.slu.edu]

FIRST TIME 1818 STUDENTS

After being enrolled into the 1818 Program, you will be sent an email containing the following information to set up your MySLU account:

- Your SLUNet ID
- A temporary password

RETURNING 1818 STUDENTS

You will continue to use the same SLUNet ID issued to you when you were first admitted to the 1818 Program. If you forgot, or do not know your SLUID or password, contact 314-977-4000.

GRADING, DROPS AND WITHDRAWALS

DROPS

To **drop** a 1818 course, or completely remove it from your Saint Louis University transcript, students will need to log into their DualEnroll account and ‘abandon’ any courses they no longer wish to take. Students will not owe a balance for any dropped courses. Please refer to page 1 for all drop deadlines.

GRADING

1818 students are held to the same academic standards of grading as undergraduate students taking the same course at Saint Louis University. Upon completion of the course, the high school 1818 instructor will post a letter grade to your SLU transcript. In most cases, this will be the same letter grade you received in the high school course.

Each college or university has their own policies on accepting grades. It is the student’s responsibility to determine how 1818 grades will transfer to other higher education institutions.

WITHDRAWALS

To **withdraw** from an 1818 course, or unenroll and receive a status of “W” instead of a grade, please email 1818@slu.edu with your name and courses you’d like to withdraw from.

Withdrawing from a course can have a neutral or negative impact on your college admissions depending on the university you apply to. Receiving a “W” is always better than receiving a failing grade. Students who withdraw are responsible for paying for their coursework. Please refer to page 1 for all withdraw deadlines.

CREDIT TRANSFER

TRANSFERRING CREDITS

Acceptance of 1818 credit is determined by each college or university. It is the student's responsibility to research how 1818 credit transfers to the degree programs and institutions they are interested in.

QUESTIONS TO ASK

Students are encouraged to ask colleges and universities the following questions:

- 1 Does your institution accept dual enrollment credit?
- 2 How would SLU dual credit apply to the degree program I am interested in?
- 3 Will I be considered a freshman regardless of the number of credits I transfer? (Make sure you would still be eligible for all freshman scholarships)
- 4 Would the credits or GPA I bring count against the overall length and amount of any scholarship I might receive?

ORDERING TRANSCRIPTS

Transcripts can be ordered once the student's bill has been paid in full and instructors have submitted grades to SLU. If possible, traditional seniors should wait until June 2nd to send transcripts. If a grade is needed sooner, please contact your 1818 instructor(s).

Transcript Request

E-transcripts can be ordered online with the student's SLU Banner ID number or Social Security number.

E-transcripts cost \$4 to send and are typically received within 24-48 hours of ordering.

Order a transcript at

www.slu.edu/1818/students-parents/transfer-credits.php

Requesting a Course Syllabus

Sometimes, college advisors will request a course syllabus to compare 1818 coursework to their course offerings on campus. If you no longer have your course syllabus, you may request a copy from your 1818 instructor(s) or contact our office at 1818@slu.edu.
