SAINT LOUIS UNIVERSITY™

This roadmap is a recommended semester-by-semester plan of study for this program. The plan shown assumes full-time enrollment. Courses and milestones designated as critical (in boldface and shaded areas) must be completed in the semester listed to ensure a timely graduation. The semester a course is offered is subject to change.

a) **Please follow this roadmap if the Certificate is completed concurrently with any MPH degree.**

Course Subject and Title	Credits	Important Notes
Year 1, Spring Semester: (6 credits)		
BST-5100: Introduction to General Linear Modeling	3	See Program Notes
EPI-5020: Epidemiology Methods II	3	
Year 2, Fall Semester: (3 credits)		
Participation in / Completion of …..		
EPI-#### Elective	3	Selected EPI Elective; See information in Program Notes
Year 2, Spring Semester: (3 credits)		
EPI-#### Selective	3	Selected EPI Elective; See information in Program Notes

Program Notes

Minimum Total Degree Credits: 12

BST 5100: A waiver is available if the student has already taken BST 5100 or its equivalent. If BST 5100 is waived, the student may replace with an XXX-#### Elective: Academic advisor approval required. Elective should be selected in consultation with your academic advisor from the list of approved electives (which includes concentration specific classes as well as other approved courses) or non-approved courses with express approval from the academic advisor.
EPI-#### Selective: Must be selected from the list of EPI prefix courses, including the doctoral level Systematic Review and Meta Analysis course.

b) **Please follow this roadmap if the Certificate is completed NOT concurrently with any MPH degree.**

Course Subject and Title	Credits	Important Notes
Year 1, Fall Semester: (6 credits)		
PUBH-5030: Methodological Approaches to Understanding Population Health	3	
PUBH-5040: Generating Evidence from Public Health Data	3	
Year 1, Spring Semester: (6 credits)		
XXX-#### Elective	3	Elective; See information in Program Notes
EPI-5020: Epidemiology Methods II	3	

Program Notes

Minimum Total Degree Credits: 12

XXX-#### Elective: Elective should be selected from the list of approved electives (which includes EPI prefix classes as well as other approved non-EPI prefix courses) or with express approval from the advisor.

XXX-#### Elective: Academic advisor approval required. Elective should be selected in consultation with your academic advisor from the list of approved electives (which includes concentration specific classes as well as other approved courses) or non-approved courses with express approval from the academic advisor.

PLEASE NOTE: This roadmap is an example of what a plan could look like for a typical student. It should not be used in the place of regular academic advising appointments. All students are encouraged to meet with their advisor each semester. All requirements are subject to change.
