Expertise: Implementation Science, Mental Health Services Research, Evaluation of Evidence Based Practices, Programs, & Policies for Trauma Treatment and Suicide Prevention for Veterans, Congressional Reporting Requirements.

EDUCATION

- July 2004 - June 2007 **NIMH Post-Doctoral Fellowship, University of Rochester Medical Center, Center for the Study and Prevention of Suicide, Rochester, NY**
Research Area: Implementing Evidence-Based Suicide Prevention Programs for Veterans in VA
- Aug. 2000 - Feb. 2004 **Ph.D., Columbia University, School of Social Work, New York, NY**
Dissertation: Path Analysis of Acute Stress Reactions After the World Trade Center Disaster:
Social Work Students in New York City
- Jan. 1994 - Dec. 1994 **M.S.W., Tulane University, School of Social Work, New Orleans, LA**
Concentration: Marriage and Family Therapy
- Aug. 1989 - May 1993 **B.A., Northwestern State University, Natchitoches, LA**
Major: Social Work

PROFESSIONAL EXPERIENCE

FACULTY APPOINTMENTS

- July 2026 – present **Saint Louis University, School of Social Work, St. Louis, MO**
Professor (tenured)
- July 2018 – June 2026 Associate Professor (with tenure)
- July 2012 - June 2018 Assistant Professor
- July 2007 - June 2012 **Washington University in St. Louis, George Warren Brown School of Social Work, St. Louis, MO**
Research Assistant Professor
- June 2004 - June 2007 **University of Rochester Medical Center, Department of Psychiatry, Rochester, NY**
Senior Instructor

CLINICAL RESEARCH LEADERSHIP AND MANAGEMENT EXPERIENCE

- Oct. 2014 - present **Department of Veterans Affairs (VA)**
Research Social Work Program Manager, Central Arkansas VA Health Care System
- Feb. 2014 - Sept. 2015 Director, Patient Safety Center of Inquiry on Suicide Prevention
- Aug. 2011 - Sept. 2015 Co-Implementation Research Coordinator, Mental Health QUERI, HSR&D
- Mar. 2008 - Sept. 2014 Research Social Work Program Manager, Saint Louis VA Health Care System
- Mar. 2001 - June 2004 **Columbia University, Department of Psychiatry, Division of Child and Adolescent Psychiatry, DISC Development Grp., Columbia TeenScreen Program, New York, NY**
Trainer, DISC (Diagnostic Interview Schedule for Children)

CLINICAL EXPERIENCE

- Feb. 1995 - July 2000 **Department of Veterans Affairs (VA), Readjustment Counseling Service, Vet Center Program, Veterans Resource Center, New Orleans, LA**
Clinical Social Worker/Clinical Coordinator
- Oct. 1994 - Apr. 1995 **Charter Behavioral Health Systems at Acadian Oaks, Acute Psychiatric and Addictive Behavior Hospital, Lafayette, LA**
Needs Assessment and Referral Counselor

RESEARCH

GRANTS/CONTRACTS AWARDED

June Sept.	2026- 2028	Department of Veterans Affairs, Office of Mental Health, South Central Mental Illness, Research, Education and Clinical Center (MIRECC) Pilot Study “A Preliminary Study of Perceived Need for Veterans at Risk for Suicide” (Department of Veterans Affairs, Total Cost: \$48,154) Role: Co-Investigator (5% effort - donated) Goal of this Project: To collect pilot data on patterns of social functioning and decline among Veterans with a history of suicide attempts, to support expanded research and evaluation of functioning as a mechanism to guide risk assessment and inform service delivery.
Jan. Sept.	2026- 2027	Department of Veterans Affairs (VA), Office of Suicide Prevention (OSP), Veterans Crisis Line (VCL) “Mixed Methods Evaluation of the VCL Risk Stratification Tool” (Department of Veterans Affairs, Total Cost: \$103,698) Role: Principal Investigator (FY 26: 5% effort donated; FY 27: 5% effort) Goal of this Project: To evaluate the pilot implementation effectiveness of an evidence-informed risk stratification tool adapted for VCL. The mixed methods evaluation plan aims are to : (1) develop quantitative methods and conduct the evaluation of the effectiveness and feasibility of enterprise-wide implementation of the pilot’s adapted risk stratification tool and (2) develop qualitative methods and conduct the evaluation of CR experience with the Risk Stratification pilot in general and the adapted risk stratification tool.
Oct. Sept.	2025 - 2030	Department of Veterans Affairs (VA), Office of Research and Development (ORD), Health Systems Research (HSR), Quality Enhancement Research Initiative (QUERI) Program “Behavioral Health QUERI: Advancing Equitable Implementation for Quality Mental Health Care for Veterans” (QUE 25-022; MPIs: Landes, Kim, Miller) (Department of Veterans Affairs, Total Cost: \$5,638,849) Role: Co-Investigator, Rapid Response Team Project Lead (20% effort) - Goal of this Center: The Behavioral Health (BH) QUERI Program will advance equitable implementation of accessible, quality mental health care for Veterans across VA settings by implementing evidence-based practices (EBPs) through equity-enhanced frameworks, strategies, and measures which address critical VA priorities: 1) connect Veterans to the soonest and best care, 2) reduce disparities in access to care, and 3) prevent Veteran suicide. - As the Lead of the Rapid Response Team, Dr. Matthieu leads an embedded mixed methods team to collaborate with VA clinical and policy partner on projects that are time sensitive (3–6-month project), high priority, high profile practice and policy evaluations or implementations that are specifically requested by VA national leadership.
Feb. Sept.	2025 - 2027	Department of Veterans Affairs (VA), Office of Mental Health (OMH), Legislation, Policy and Partnerships Team (LPP) “Central Arkansas VA Healthcare System (CAVHS) OMH LPP Support Team (Department of Veterans Affairs, FY 2025-2026 Total Cost: \$596,975) Role: Principal Investigator (10% effort) - Goal of this Team: This team, housed within VA’s national OMH, is responsible for monitoring the implementation, effectiveness, and compliance of all mental health legislative, policy, and partnerships within this office. External and internal stakeholders are the U.S. Congress, Secretary of Veterans Affairs, and VA senior health care executives. - Activities: During FY 25-26, we provided technical and scientific review of legislative reports in support of OMH’s oversight of laws, Executive Orders, active policies/directives, and tracking all policy and legislation items, such as committee hearings, Congressionally Mandated Reports (CMR), Congressional Tracking Reports (CTR), directives, memorandums, Government Accountability Office (GAO)/Office of Inspector General (OIG)/Office of Accountability and Whistleblower Protections (OAWP)/Office of National Drug Control Policy (ONDCP) Reports, Request for Information (RFI), and Questions for the Record (QFR) to coordinate, support, intervene, and escalate as necessary.

- Oct. 2024 -
Sept. 2029
- Department of Veterans Affairs (VA), Health Systems Research (HSR), Center of Innovation (COIN)**
 “Center for Mental Healthcare & Outcomes Research (CeMHOR)” (CIN 13-411; PI: Painter)
 (Department of Veterans Affairs, Total Cost: \$2,444,000)
 Role: Co-Investigator (2.5% effort - donated)
- Goal of this Center: This COIN pursues two high-priority Impact Goals: 1) Improve Veteran outcomes by connecting them to the soonest and best MH/SUD care and by identifying and overcoming barriers to completion of an episode of care, and 2) Advance VA suicide prevention efforts by expanding the types and targets of prevention programs; with emphasis on underserved populations, mechanisms for identifying optimal prevention strategies, and integration of prevention programs across systems.
- Oct. 2024 -
Sept. 2027
- Department of Veterans Affairs (VA), Office of Suicide Prevention (OSP) FY 25 Demonstration Project Funding Request, Project Proposal**
 “Central Arkansas VA Healthcare System’s (CAVHS) Center for Advancing Community-engaged Research and Evaluation in Suicide Prevention” (ACRE-SP)
 (Department of Veterans Affairs, Total Cost: \$1,750,082)
 Role: Principal Investigator and Center Director (20% effort)
- Goal of this Center: This OSP funded field-based resource Center will address the complexity of Veteran suicide by bringing together VA resources and subject matter experts to develop methods and tools to enhance community-engaged and community-partnered efforts focused on Veteran suicide prevention. By using common conceptual frameworks, implementation strategies, measures, and processes across projects, ACRE-SP’s mission is to accelerate the translation of research and pilot project findings on Veteran suicide and suicide prevention cultivated in community and organizational settings for VA.
 - We aim to (1) Utilize subject matter experts, leverage existing data, and translate findings from pilot projects to identify drivers of change and mechanisms of action to support community-engaged suicide prevention activities; (2) Conduct landscape and gap analyses to identify existing and needed studies and researcher expertise to support community-engaged suicide prevention in the community, and (3) Identify and support pilot projects to develop interventions and innovations in support of community-engaged suicide prevention.
- April 2022-
Sept. 2027
- Department of Veterans Affairs (VA), Office of Research and Development (ORD), Health Systems Research (HSR), Quality Enhancement Research Initiative (QUERI) Resource Center**
 “QUERI’s Evidence, Policy, and Implementation Center (EPIC)” (EBP 22-104 MPIs: Gifford, Landes, Elway)
 (Department of Veterans Affairs, Total Cost: \$ \$4,374,917)
 Role: Learning Core Director (15% effort)
- Goal of this Center: EPIC develops methods, metrics, and practical products and organizes QUERI implementation science training, meetings, and forums to help accelerate the translation of research discoveries and transform health care and policy in VA. As one of the two QUERI nationally funded field-based resource centers. EPIC provides expertise, training, and evaluation to researchers, providers and other frontline staff, managers, and health system leaders to enhance implementation, evaluation, and QI efforts across VA and accelerate systemwide care improvements.
 - Dr. Matthieu leads the Learning Core, which designs and delivers a professional workforce development program in implementation science and develops comprehensive implementation methods training
- Oct. 2020-
Sept. 2026
- Department of Veterans Affairs (VA), Office of Suicide Prevention (OSP) FY 22-26 Funding Request, Project Proposal.**
 “Implementation Evaluation of Public Law 116-171 SSG Fox Suicide Prevention Grant Program”
 (Department of Veterans Affairs, Total Cost: \$1,179,225)
 Role: Principal Investigator (25% effort FY 2022; 12.5% effort FY 2023-2025; FY 2026 5%)
- Goal of this Project: To provide OSP with ongoing consultation and support from Subject Matter Experts (SMEs) in implementation and evaluation of clinical and community-based suicide prevention programs, geo-spatial analysis, qualitative and quantitative data analysis, and technical writing of evaluation results and recommendations for Congressionally Mandated Reports for Public Law 116-171, Commander John Scott Hannon Veterans Mental

- Aug. 2019 -
Sept. 2026
- Department of Veterans Affairs (VA), Office of Readjustment Counseling Service**
“Readjustment Counseling Service (RCS) Analytics Unit”
 (Department of Veterans Affairs, Total Cost: \$1,312,827
 Role: Principal Investigator (25% effort FY 2019-2020; 12.5% FY 2021; 5% FY 2022-23; 15% FY 2024-2026)
- Goal of this Unit: As a group of subject matter experts, this unit collaborates with senior executives to develop processes and procedures for data collection, analysis, and visualization with high levels of stakeholder involvement to enhance the evidence base for clinical practices, programs, and policies for the national Vet Center program.
- Oct. 2018 -
Sept. 2030
- Department of Veterans Affairs (VA), National Center for Patient Safety, Patient Safety Center of Inquiry (PSCI)**
“VA Suicide Prevention Collaborative” (PI: DeBeer)
 (Department of Veterans Affairs, Total Cost: \$861,750)
 Role: Advisory Board Director (5% effort- donated)
- Goal of this Center: The overarching mission of the PSCI-SP is to develop, implement, and evaluate practical solutions to reduce suicide among Veterans who are not receiving VA care. We will develop a toolkit to efficiently disseminate and support implementation of best practices for Veteran suicide prevention among community partners. We will also develop and pilot a program to provide cost-effective suicide prevention for Veterans who are identified by the collaborative as at risk but not currently enrolled in VA services.

GRANTS/CONTRACTS COMPLETED

- Feb. 2022-
Feb. 2026
- Department of Veterans Affairs (VA), Office of Mental Health and Suicide Prevention (OMHSP) FY 22-25 Funding Request, Project Proposal**
“Evaluation of Public Law 117-37 Puppies Assisting Wounded Servicemembers (PAWS) for Veterans Therapy Act”
 (Department of Veterans Affairs, Total Cost: \$148,300)
 Role: Principal Investigator/SME/Evaluation Lead (5% effort)
- Goal of this Project: To provide OMHSP with ongoing consultation and support from Subject Matter Experts (SMEs) in evaluation of trauma treatment programs, quantitative data analysis, and technical writing of evaluation results and recommendations for Congressionally Mandated Reports for the Puppies Assisting Wounded Servicemembers (PAWS) for Veterans Therapy program. The program is in 5 VA sites across the country and seeks to provide canine training as an adjunctive treatment for eligible Veterans with PTSD.
- Oct. 2019 -
Sept. 2025
- Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), QUERI Program (QUE 20-026)**
“Behavioral Health QUERI: Advancing 21st Century Mental Health Care for Veterans”
 (Department of Veterans Affairs, Total Cost: \$5,272,279) (MPIs: Landes, Miller)
 Role: Co-Investigator, Rapid Response Team Project Lead (20% effort)
- Goal of this Center: This Behavioral Health QUERI Program will advance the quality and outcomes of mental health care provided to Veterans, especially those at highest risk for suicide, in Department of Veterans Affairs (VA) settings. By implementing a variety of evidence-based practices (EBPs) and using common conceptual frameworks, implementation strategies, measures, and analytic processes across projects, we will improve care for Veterans with complex behavioral health conditions (i.e., multiple mental health diagnoses) across a variety of VA settings.
 - As the Lead of the Rapid Response Team, Dr. Matthieu leads groups of embedded researchers collaborating with VA clinical and policy partners to rapidly facilitate a goal. Projects are time sensitive (3–6-month project), high priority, high profile practice and policy evaluations that are requested by VA national leadership and clinical offices.
- Oct. 2023 -
Sept. 2024
- Department of Veterans Affairs (VA), Office of Mental Health and Suicide Prevention (OMHSP) FY 24 Demonstration Project Funding Request, Proposal**
VISN 2, Center of Excellence in Suicide Prevention (COE-SP)

“COE-SP Innovation Hub: Addressing Suicide Among Younger Veterans”

(Department of Veterans Affairs, Total Cost: \$1,944,760)

Role: Implementation & Policy Lead (25% effort)

- Goal of this Hub: The aim of the Hub is to identify, develop and conduct operational projects focused on Veterans 18-34 years old, the fastest growing Veteran suicide cohort.
- During FY24, we will: (1) utilize data and surveillance resources to better understand this cohort of high risk for suicide Veterans and the unique drivers contributing to suicidal behaviors; (2) conduct a landscape and gap analyses to identify current studies, researchers and interventions focused on 18-34 year old Veterans, and (3) identify develop, coordinate and/or conduct pilot projects of promising interventions to reduce suicide in this population.

Oct. 2018 -
Sept. 2024

Department of Veterans Affairs (VA), Health Services Research and Development (HSR&D), Center of Innovation (COIN)

“Center for Mental Healthcare & Outcomes Research (CeMHOR)” (CIN 13-411; PI: R. Owen)

(Department of Veterans Affairs, Total Cost: \$2,750,000)

Role: Co-Investigator (5% effort)

- Goal of this Center: This COIN seeks to: 1) Advance knowledge and address gaps in access to and engagement in evidence-based MH/SUD care; 2) Develop, test, and implement suicide prevention strategies; 3) Advance innovative research outside of focus areas; 4) Strengthen strategic partnerships and collaborations with other centers and investigators to address VA priorities; 5) Provide training, mentoring, and career development in MH services research and implementation science; and 6) Engage Veterans and others in CeMHOR research.
- Specifically, Drs. Matthieu and Owen lead goal 6 to support veteran engagement via the CeMHOR Veterans Council.

Oct. 2019 -
Sept. 2024

Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), QUERI Partnered Evaluation Initiative (“Parent”) Partnered Evaluation Mechanism

“Evaluation of the National Implementation of the VA Diffusion of Excellence Initiative on Advance Care Planning with Group Visits” (PEC 18-206)

(Department of Veterans Affairs, Total Cost: \$585,719)

Role: Principal Investigator (12.5% effort FY 2020-FY 2022; 5% effort FY2023-2024)

- Goal of this Project: This QUERI funded Partnered Evaluation seeks to evaluate and to determine best practices to facilitate a nationwide spread of this VA Diffusion of Excellence Initiative (DEI), Advance Care Planning via Group Visits (ACP-GV), which includes the cost saving and process-oriented approach of hosting discussions regarding the topic of ACP among groups of Veterans. The National Program is responsible for the implementation, evaluation, and spread of ACP-GV across the entire Veterans’ healthcare system.

July 2019 -
Sept. 2024

Department of Veterans Affairs (VA), Veterans Health Administration (VHA), Office of Rural Health (ORH), Enterprise-Wide Initiatives (EWIs), Collaborative Rural Access Solution Grant

“Advance Care Planning – Group Visits National Initiative” (#6108-10 P3C; PD: K. Garner)

(Department of Veterans Affairs, Total Cost: \$13,252,487)

Role: Co-Investigator (12.5% effort FY 2019-FY 2021; in kind FY 2022-2024)

- Goal of this Project: To disseminate a pathway for an enterprise-wide initiative that allows rural Veterans to more readily access and work with health professionals specially trained in advance care planning.

Dec. 2022
Sept. 2023

Department of Veterans Affairs (VA), Office of Research and Development (ORD), Health Services Research and Development (HSRD), Field-Based Planning Meetings to Foster Collaborative Multi-Disciplinary, Multi-Site Studies to Improve Veteran Health, Field Based Planning Meeting Proposal

“Convening Of VA ORD Suicide Prevention Investigators and Program Leaders to Identify Gaps Between Community Engaged Practice and Research.”

(Department of Veterans Affairs, Total Cost: \$15,407)

Role: PI, Meeting Facilitator and Member, Executive Planning Committee

- Goal of this national two-day meeting and webinar: (1.) Facilitate the convening of ORD suicide researchers, evaluators, program leaders, and VA key stakeholders charged with promoting the prevention of suicide to discuss strategies for community-engaged

implementation of evidence based and promising practices; (2.) Identify gaps between VA community-engaged suicide prevention services/programs and current ORD research and OMHSP funded evaluations; (3.) Develop recommendations for collaborative community-engaged suicide prevention efforts across VA operations and research; (4) Develop a plan for subsequent research, evaluation, and evidence-based and promising practices that lead to the implementation of innovative community-engaged health solutions for Service Members, Veterans, and Families (SMVF).

Oct. 2021-
Sept. 2023

Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), Advance Diversity in Implementation Leadership (ADIL)

“Evaluating VA’s Nationwide LGBTQ+ Veteran Care Coordinator Program” (PI: R. Singh)
(Department of Veterans Affairs, Total Cost: \$140,724)

Role: Mixed Methods/Policy Subject Matter Expert/Qualitative Analyst (5% effort)

- Goal of this Project: Operating as the largest healthcare system in the world, the Department of Veterans Affairs (VA) is likely the largest provider of LGBT healthcare in the world, therefore the aims of this program evaluation are to assess the current state of the LGBTQ+ Veteran Care Coordinator Program and create an implementation toolkit to support LGBTQ+ Veteran Care Coordinators in engaging in best practices.

Oct. 2021-
Sept. 2023

Department of Veterans Affairs (VA), Office of Mental Health and Suicide Prevention (OMHSP) FY 22 Demonstration Project Funding Request.

“Prevention, Recovery, & Emergency Preparedness: Empowering Veterans to Promote Community Resilience (Empowering Veterans)” (PI: A. Waliski)

(Department of Veterans Affairs, Total Cost: \$2,273,870)

Role: Co-Investigator, Implementation Scientist (5% effort)

- Goal of this Project: The Empowering Veterans project is a state-wide infrastructure development project for the implementation of a public health approach to suicide prevention in Arkansas. It combines Veteran peer-to-peer support, suicide safety planning, lethal means safety interventions with a stakeholder engaged and collaborative public health approach that incorporates the efforts of the VA/SAMHSA Governor’s. Challenge and Together with Veterans to implement the National Strategies for Preventing Veteran Suicide (NSPVS).

Oct. 2021-
May 2023

Department of Veterans Affairs (VA), Office of Mental Health and Suicide Prevention (OMHSP) FY 22 Demonstration Project Funding Request. MIRECC and VA Eastern Colorado Health Care System

“Involving Concerned Significant Others in Firearms Safety: Development of the Family FireArms Safety Training (FFAST) Intervention” (PI: B. DeBeer)

(Saint Louis University, Total Cost: \$45,370)

Role: Co-Investigator (12.5% effort)

- Goal of this Project: This initial development project aims to develop a single brief virtual suicide prevention intervention for Veterans and Concerned Significant Others (CSOs) who meet with a clinician to develop a plan for safe firearm storage and how to respond in a crisis situation.

Oct. 2020-
Sept. 2022

Department of Veterans Affairs (VA), Office of Mental Health and Suicide Prevention (OMHSP) FY 20 Funding Request, Project Proposal.

“Comparative Effectiveness of Mental Health Apps for Veterans with Anxiety and Mood Disorders” (Co-PIs: R. Bossarte, M. Nock, R. Kessler, W. Pigeon)

(Department of Veterans Affairs, Total Cost: \$2,597,930)

Role: Co-Investigator, Implementation Scientist (5% effort)

- Goal of this Project: We plan to implement a large comparative effectiveness trial and develop a system to match the right digital interventions to the right Veterans with anxiety and depressive (A/D) disorders. It has two aims. Specific Aim 1: Implement a large pragmatic trial that will estimate conditional average treatment effects of 10 diverse free best-practices interventions by randomizing the full sample (n=6,000) with equal allocation (n=500 per arm) to twelve study arms (10 intervention conditions, 1 patient preference condition and 1 waitlist control [WLC] condition). Specific Aim 2: Develop an individualized intervention rule (IIR) using information from the baseline assessment to determine which of the diverse

array of best-practice interventions considered in the trial is likely to be optimal for each Veteran in promoting 3-month remission of A/D disorders.

- Sept 2019 -
Aug. 2022
No Cost Extension 2023
- Health Resources and Services Administration (HRSA), Fiscal Year (FY) 2019 Opioid Workforce Expansion Program (OWEP)**
 “COPE- Continuing Opioid Preparedness Education project” (T98HP33470, PD: D. Meyer)
 (Saint Louis University, Total Cost: \$1,050,013)
 Role: Co- Investigator, Social Work Program Lead (12.5% effort)
- Goal of this Program: This HRSA funded program seeks to increase the overall capacity of the BH workforce serving vulnerable, at-risk children, adolescents, and transitional age youth to provide OUD and oSUD prevention, treatment, and recovery services in medically underserved areas in the St. Louis MSA.
- Oct. 2020 -
Mar. 2022
- Department of Veterans Affairs (VA), Health Services Research and Development (HSR&D), Merit Review Award Pilot Project Program (I21)**
 “The use of VA public messaging to minimize risk for suicide among recently transitioned veterans not using VHA care” (PI: E. Karras-Pilato)
 (Department of Veterans Affairs, Total Cost: \$131,863)
 Role: Co-Investigator, Implementation Scientist (5% effort, donated)
- Goal of this Pilot Project: This study will recruit a nationally representative sample of recently transitioned Army and Marine Corps veterans for a large-scale investigation of the effectiveness of VA suicide prevention messages to increase help seeking; collect baseline information (1) socio-demographic characteristics, (2) physical, mental and social health, (3) behavioral determinants (i.e., attitudes, intentions, barriers) and (4) help seeking behaviors to characterize the study cohort and identify initial audience segments in support of subsequent message testing.
- April 2021-
Sept. 2021
- Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), QUERI Supplemental Funding QUERI Program Mechanism (QUE 20-026)**
 “SSG Fox Suicide Prevention Grant Program Rapid Response Team (RRT) Project”
 (Department of Veterans Affairs, Total Cost: \$31,657)
 Role: Principal Investigator (in kind)
- Goal of this Project: This QUERI FY20 Supplemental Funding Request is for additional work to develop mutually beneficial project management and policy analysis tools and deliverables requested by our partners, to include standard operating procedures (SOPs), process flow charts, tracking logs, timeline monitoring, policy analysis, evaluation plans, and/or Congressional reporting templates.
 - The long-term goal is to use a problem-based learning framework with the first RRT project to build the knowledge and capacity of research staff, mentees, and investigators who are interested in evidence-based policy analysis.
- April 2020-
Sept. 2020
- Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), QUERI Supplemental Funding Partnered Evaluation Mechanism (PEC 18-206)**
 “ACP-GV Messaging Campaign Project”
 (Department of Veterans Affairs, Total Cost: \$43,333)
 Role: Principal Investigator (in kind)
- Goal of this Project: This QUERI FY20 Supplemental Funding Request is for additional work to add two new implementation strategies to examine the development of a new messaging campaign as part of our National Program dissemination strategy to deal with the pivot change in health care delivery from in person groups to telehealth due to the COVID 19 pandemic.
- April 2020-
Sept. 2020
- Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), QUERI Supplemental Funding QUERI Program Mechanism (QUE 20-026)**
 “MISSION Act Section 506 Project”
 (Department of Veterans Affairs, Total Cost: \$43,671)
 Role: Principal Investigator (in kind)

- Goal of this Project: This QUERI FY20 Supplemental Funding Request is for additional work to develop tools to assist our implementation partners to understand the impact of changes in service delivery and community outreach for sites due to the COVID 19 pandemic. It provided information that will be needed to support new and existing Mission Act Section 506 sites with lessons learned related to COVID-19 and in fulfilling reporting requirements of this Congressionally Mandated project for OMHSP.

June 2019 -
Sept. 2020

Department of Veterans Affairs (VA), Office of Mental Health and Suicide Prevention (OMHSP) FY 20 Funding Request

“MISSION Act Section 506 Project”

(Department of Veterans Affairs, Total Cost: \$211,382)

Role: Principal Investigator (25% effort)

- Goal of this Project: This OMHSP FY 20 Funding Request supports Public Law 115-182, MISSION Act Section 506 and the congressionally mandated evaluation of Peer Specialists in Patient Aligned Care Team (PACT) settings in 30 VHA facilities to promote the use and integration of services for mental health, substance use disorder, and behavioral health in a primary care setting. This summative program evaluation focuses on the 3 main components of the legislation (e.g., findings/conclusions, benefits to veteran and family members, and effectiveness of community outreach) using a multi-level (e.g., patient, clinic, site, systems level) mixed methods approach to engage veterans and families served by the program.

July 2019 -
June 2020

Doerr Center for Social Justice Education and Research, 2019-2020 Collaborative Research Grants

“Hope After: Examining a Continuity of Care Approach to Mitigate Subsequent Suicide Attempts” (Saint Louis University, Total Cost: \$7,000)

Role: Principal Investigator (no effort; in kind)

- Goal of this Project: This community-based and student involved research proposal aims to examine the efficacy of the continuity of care intervention in reducing the severity and frequency of depressive symptoms using program evaluation methods and data collected for the Hope After program at Provident Behavioral Health, Inc.

Jan. 2019 -
Dec. 2019

Department of Veterans Affairs (VA), Health Services Research and Development (HSR&D), Merit Review Award Pilot Project Program (I21) (PPO 18-278)

“Emergency Departments Treating Veteran for Suicide (ED-VeTS)” (PI: A. Waliski)

(Department of Veterans Affairs, Total Cost: \$99, 079)

Role: Co-Investigator (10% effort)

- Goal of the Study: Qualitative pilot study to explore the suicide characteristics among non-VHA using Veterans, adherence to provider recommendations post emergency department (ED) discharge, and treatment with a particular focus on the policies and practices of community hospital EDs regarding suicide risk assessment, identification of military history, discharge planning for suicide risk, and tracking of aftercare.

May 2019-
Sept. 2019

Department of Veterans Affairs (VA), VISN 16 Mental Illness, Research, Education and Clinical Center (MIRECC), Supplemental Funding Request

“Advance Care Planning Via Group Visits Evaluation Support Project”

(Department of Veterans Affairs, Total Cost: \$107,898)

Role: Principal Investigator (25% effort)

- Goal of the Project: This MIRECC FY 19 Supplemental Funding Request is for project coordination startup and implementation work related to our operations partnership with the National Social Work Program Office in the Office of Care Management and the Office of Rural Health (ORH) that funds the development and implementation of the ACP-GV National Program across VHA.

May 2019-
Sept. 2019

Department of Veterans Affairs (VA), VISN 16 Mental Illness, Research, Education and Clinical Center (MIRECC), Supplemental Funding Request

“MISSION Act Section 506 Project”

(Department of Veterans Affairs, Total Cost: \$47,791)

Role: Principal Investigator (25% effort)

- Goal of the Project: This MIRECC FY 19 Supplemental Funding Request is for mixed methods and project coordination start up work related to our operations partnership with

the Office of Mental Health and Suicide Prevention (OMHSP), in support of Section 506 of the MISSION Act.

- April 2019-
Sept. 2019
- Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), Supplemental Funding Request**
“MISSION Act Section 506 Project”
 (Department of Veterans Affairs, Total Cost: \$49,980)
 Role: Principal Investigator (12.5% effort)
- Goal of the Project: This QUERI FY19 Supplemental Funding Request is for additional work to develop maps using spatial analysis and report templates using secondary data analysis for Congressional Reporting related to our QUERI operations partnership with the Office of Mental Health and Suicide Prevention (OMHSP), in support of Section 506 of the MISSION Act.
- Oct. 2017 -
Dec. 2018
- Department of Veterans Affairs (VA), Veterans Health Administration (VHA), Office of Mental Health Operations, Mental Health Services, VISN 16 Mental Illness, Research, Education and Clinical Center, and Center for Mental Health and Outcomes Research, Central Arkansas VA Healthcare System**
“Final Evaluation of the Clay Hunt Suicide Prevention for American Veterans Act (Public Law 114-2), Clay Hunt Act, Sec. 5. Pilot Program on Community Outreach”
 (Department of Veterans Affairs, Total Cost: \$331,314)
 Role: Principal Investigator
- Goal of the Project: Summative evaluation of VA administrative data, key informant interviews and program level data to meet legislative requirement for program evaluation and to submit an official final report to Congress on behalf of the Department of Veterans Affairs for Public Law 114-2, Sec. 5 Clay Hunt Suicide Prevention for American Veterans (SAV) Act.
- Sept. 2015 -
Sept. 2018
- Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Substance Abuse Treatment (CSAT), Screening, Brief Intervention, and Referral to Treatment (SBIRT) Health Professions Student Training**
“Screening, Brief Intervention and Referral to Treatment (SBIRT) Health Professions Student Training – An Inter-University Collaboration” SAMHSA 0005377-1
 PI: J. Pickard, University of Missouri-St. Louis
 (Saint Louis University, Subcontract Total Cost: \$329,732)
 Role: Site Principal Investigator at SLU
- Goal of the Project: To increase the implementation of SBIRT into existing systems of care in the social services sector and to increase the number of people in need of treatment for a substance use disorder (SUD) receiving an appropriate referral from a social service provider.
- Mar. 2017 -
Aug. 2017
- Department of Veterans Affairs (VA), Veterans Health Administration (VHA), Office of Mental Health Operations, Mental Health Services, VISN 16 Mental Illness, Research, Education and Clinical Center, and Center for Mental Health and Outcomes Research, Central Arkansas VA Healthcare System**
“Interim Evaluation of the Clay Hunt Suicide Prevention for American Veterans Act (Public Law 114-2), Clay Hunt Act, Sec. 5. Pilot Program on Community Outreach”
 (Department of Veterans Affairs, Total Cost: \$150,000)
 Role: Principal Investigator
- Goal of the Study: Summative evaluation of VA administrative data, key informant interviews and program level data to meet legislative requirements for program evaluation and to submit an official initial (year 1) report to Congress on behalf of the Department of Veterans Affairs.
- July 2016-
June 2017
- Center for Disease Control and Prevention (CDC), National Institute for Occupational Safety and Health (NIOSH), Healthier Workforce Center for Excellence (HWCE), Pilot Project Grant Program**
“A Prospective Study of Health Among Newly Hired Corrections Officers”
 (PI: L. Jaegers, Saint Louis University)
 Role: Co-Investigator
- Goal of the Study: To study the incidence of mental and physical health among newly hired

Corrections Officers (COs) and the feasibility of performing a prospective study at multiple jail sites in the Midwest. Guided by a Total Worker Health™ strategy and Social Ecologic Framework, this study informed a proof of concept for etiological and a feasibility study for conducting future long-term, prospective research with new COs to more fully understand work-related changes in their health over time.

- Centers for Disease Control and Prevention (CDC), National Violence and Injury Prevention Center**
 “Brown Center for Violence & Injury Prevention” (R49CE001510)
 (PI: M. Jonson-Reid, Washington University in St. Louis)
 Roles: Co-Director of the Outreach Team, Scientific Advisory & Field Advisory Group; Co-PI: Small Project: “Veterans, Trauma, and Battering Behavior: Developing a Proactive Community Response to Violence Prevention” (Co-PI: P. Hovmand, Washington University in St. Louis); Co-Investigator: Developmental Seed Project: “Surveillance and Gatekeeper Training for Early Identification and Referral of Suicide in Schools”
 (PI: J. Peña, Washington University in St. Louis, St. Louis, MO.)
- Goal of the Study: The center goal is to advance evidence-based (1) primary prevention of violence among young families, and (2) intervention for childhood victims of violence to prevent potential later perpetration of violence toward themselves or others as they transition to adulthood.
- Apr. 2013-
Mar. 2015
- Department of Veterans Affairs (VA), Quality Enhancement Research Initiative (QUERI), Rapid Response Project (RRP) (RRP 12-460)**
 “Variation in Implementation of the Partners in Care (PIC) Program”
 (PI: A. Waliski, Department of Veterans Affairs)
 Role: Co-Investigator
- Goal of the Study: To obtain information on facilitators and barriers to the Department of Defense’s Partners in Care (PIC) program, which includes training in the VA’s Operation SAVE suicide prevention program and works with the Joint Forces/National Guard State Chaplains to provide skills training that can be used to increase access to mental health care for veterans in the community who are experiencing distress and/or may be at risk for suicide and to identify processes and practices associated with highly-effective PIC program implementation.
- Mar. 2014-
Feb. 2015
- Department of Veterans Affairs (VA), Health Services Research and Development (HSR&D), Pilot Grant Proposals**
 “Veterans’ Care Access and Preferences for PTSD Treatment in the Community”
 (PI: E. Finley, Department of Veterans Affairs)
 Role: Consultant
- Goal of the Study: To examine the care utilization patterns of OEF/OIF/OND veterans with PTSD and identify factors associated with their choice of VA or non-VA care setting.
- Feb. 2014-
Sept. 2014
- Department of Veterans Affairs (VA), Quality Enhancement Research Initiative (QUERI), Locally Initiated Project (QLP) (QLP 55-040)**
 “Barriers and Facilitators to Care Coordination of Mental Health Services for Pregnant Female Veterans Referred to Fee Based Community Care for Obstetrics and Maternity Care”
 (Department of Veterans Affairs, Total Cost: \$9,776)
 Role: Principal Investigator
- Goal of the Study: The objective of this study is to examine the need for suicide prevention and mental health care coordination services, specifically for female veterans, in the eastern region of the state of Missouri, from the VA and community provider perspective.
- Feb. 2014-
Sept. 2014
- Department of Veterans Affairs (VA), Quality Enhancement Research Initiative (QUERI), Locally Initiated Project (QLP)**
 “Development of a Toolkit to Support Enhanced Use of Behavioral Rehearsal Methods in Suicide Prevention Training” (QLP 55-038)
 (Department of Veterans Affairs, Total Cost: \$5,080)
 Role: Principal Investigator
- Goal of the Study: (1) develop behavior rehearsal materials including small and large group role play instructions, background scenarios, scripts and “observer” feedback forms for use in veteran-specific suicide prevention training with a variety of trainees (e.g., community members, clergy, VA employees to include non-clinical and clinical providers, front line workers; and (2) develop an instructional training manual for trainers that will support the

use of behavioral rehearsal methods for use in veteran-specific suicide prevention trainings with a variety of trainees, trainers, and training settings.

Feb. 2011-
Feb. 2014

Department of Defense (DoD), Defense Medical Research and Development Program (DMRDP) (DM090050);

“Family as a Total Package: Restoring and Enhancing Psychological Health for Citizen Soldiers and Families”

(PI: R. K. Price, Washington University in St. Louis)

Role: Co-Investigator

- Goals of the Study: The aims are to: (1) demonstrate the efficacy of the Yellow Ribbon Reintegration Program (YRRP) as a military family-centered reintegration program; (2) examine enhanced learning effects due to family member participation in the YRRP; (3) identify program components and contexts that enhance self-efficacy for restoring and enhancing psychological health of service members and families; (4) identify dyadic relations which are at increased-risk for long-term psychological injuries; and (5) deliver recommendations for evidence-based family prevention intervention programs.

May 2013-
Sept. 2013

Department of Veterans Affairs (VA), Health Services Research & Development (HSR&D), Supplemental Pilot Funding

Center of Excellence in Mental Health Outcomes, VA Central Arkansas Health Care System

“Enhancing Implementation: Expert Recommendations for Implementing Change (ERIC)”

(PI: T. Waltz, Department of Veterans Affairs)

Role: Co-Investigator

- Goal of the Study: To engage an expert panel of mental health implementation researchers and clinical managers in a multistage process of clarifying terminology and developing recommendations regarding when to apply specific implementation strategies given a specific implementation initiative accounting for site specific challenges that may impact the ease of implementation.

Mar. 2012
Sept. 2012

Department of Veterans Affairs (VA), Health Services Research and Development (HSR&D), Pilot Grant Proposals

“Process Evaluation of the Local Evidence-Based Psychotherapy (EBP) Coordinator Position as an Internal Facilitator and Program Champion”

(PI: T. Waltz, Department of Veterans Affairs)

Role: Qualitative Consultant

- Goal of the Study: To conduct a process evaluation of the Local EBP Coordinator position as a key facilitator for EBP implementation in VISN 16 with the goals of identifying facilitating factors and barriers to better inform continuous quality improvement in the VHA’s EBP dissemination efforts and the implementation of related provisions of the Mental Health Uniform Services Handbook (MH-USH).

June 2012-
Dec. 2012

Department of Veterans Affairs (VA), Health Services Research and Development (HSR&D), Quality Enhancement Research Initiative (QUERI), Locally Initiated Project (QLP)

“Stakeholder Perspectives on Improving Access to VHA’s Suicide Prevention Services for Older Adult Veterans.” (QLP 55-011)

(Department of Veterans Affairs, Total Cost: \$13,000)

Role: Principal Investigator

- Goal of the Study: The objective of this study is to examine the need for suicide prevention services, specifically for older adults, in the local communities where veterans live, in the central and eastern regions of the state of Missouri, from the provider perspective.

Jan. 2012-
Dec. 2012

Department of Veterans Affairs (VA), Health Services Research and Development (HSR&D), Quality Enhancement Research Initiative (QUERI), Rapid Response Project (RRP) (RRP: 11-002)

“Stakeholder Perspectives on Improving Access to VHA’s Suicide Prevention Services.”

(Department of Veterans Affairs, Total Cost: \$99,833)

Role: Principal Investigator

- Goal of the Study: The objective of this study is to examine the need for suicide prevention services in the local communities where veterans live, in the central and eastern regions of

the state of Missouri, from the provider perspective.

- Sept. 2011 **National Institutes of Health (NIH), Eunice Kennedy Shriver National Institute Of Child Health & Human Development**
“Child Maltreatment and Partner Violence: Bridging the Medical/Social Science Gap”
(PI: M. Jonson-Reid, Washington University in St. Louis)
Role: Evaluator
- Goal of the Study: This R25 is a short-term interdisciplinary research education program for new investigators in child maltreatment or intimate partner violence.
- June 2011-
May 2012 **National Institutes of Health (NIH), National Center for Research Resources**
Washington University Institute for Clinical and Translational Sciences (ICTS) Research Funding Program Planning Grant, Washington University in St. Louis, St. Louis, MO. UL1RR024992; PI: K. Polonsky “Planning for a StrongMind Stigma Reduction in the National Guard”
(Subcontract PI: R.K. Price, Washington University in St. Louis)
Role: Co-Investigator
- Goal of the Study: The objective is to assess the feasibility of implementing a mental health stigma reduction program for Missouri National Guard soldiers, their family members and significant others, prior to soldiers’ departures to conflict regions.
- Aug. 2006-
July, 2011 **National Institutes of Health (NIH) Clinical Loan Repayment Program**
Role: Principal Investigator
- May, 2008-
July, 2009 **National Institutes of Health (NIH), National Center for Research Resources**
Washington University Institute for Clinical and Translational Sciences (ICTS) Research Funding Program, Washington University in St. Louis, St. Louis, MO. UL1RR024992; PI: K. Polonsky “Developing the Missouri Military and Veteran (MMV) Health Consortium”
(Subcontract PI: R. K. Price, Washington University in St. Louis)
Role: Co-Investigator
- Goals of the Study: This subaward, from ICTS provides seed funding to develop the MMV Health Consortium, an academic-health collaborative network of over 20 partnering organizations and individuals from federal, state, and community organizations, military and veterans in Missouri, and to pilot test the instruments to be used to assess the impact of the Missouri National Guard’s Yellow Ribbon Reintegration Program (YRRP).
- April 2009 **Centers for Disease Control and Prevention (CDC)**
Brown School Center for Violence and Injury Prevention Supported Pilot Project R49CE001510; PI: Jonson-Reid, Washington University in St. Louis
“Yellow Ribbon Reintegration Program: A Platform to Improve Mental Health and Reintegration Services for Citizen Soldiers and their Family Members”
(Subcontract PI: R.K. Price, Washington University in St. Louis)
Role: Co-Investigator
- Goals of the Study: The objectives are to: (1) evaluate the role and potential of the Yellow Ribbon Reintegration Program (YRRP) as a promising platform for identifying the mental health and associated reintegration service needs of soldiers and their families; (2) examine the YRRP referral mechanisms; and (3) ultimately improve the provision of evidence-based counseling and treatment for National Guard soldiers and their family members in need.
- July 2007-
June 2009 **National Institute of Mental Health (NIMH)**
“Research Education in Disaster Mental Health”
Dartmouth Medical School Hanover, National Center for Post-Traumatic Stress Disorder, White River Junction, VT. R25 MH068298 PI & Project Director: F. Norris; Mentor: C. Rosen.
(Washington University in St. Louis, Subcontract Total Cost: \$20,000,)
Role: Principal Investigator
- Goal of the Program: The major goal of this mentoring and educational program was to develop analytic experience using secondary data sets to examine the role of providers and organizations in disaster mental health service delivery.
- Aug. 2007-
Sept. 2008 **Department of Veterans Affairs (VA), VISN 2 Center of Excellence Center Projects**
Center of Excellence at Canandaigua VA Medical Center, Canandaigua, NY

“Center of Excellence Subcontract Project Proposals with the Vet Center and Veterans Integrated Service Network 2”

(Washington University in St. Louis, Total Cost: \$230,485 two (2) subcontracts)

Role: Principal Investigator

- Goals of the Study: (1) To examine the feasibility of training VHA clinical providers and nonclinical staff in a gatekeeper approach to suicide prevention to be broadly disseminated and implemented across the VHA, and (2) To examine the association between systems and provider level factors on training impact and referral patterns at one year follow up.

Aug. 2007-
Mar. 2008

National Institute of Mental Health (NIMH) Center for Mental Health Services Research (CMHSR)

CMSHR Supported Pilot Project, Washington University, St. Louis MO

“Impact of Suicide Prevention Training in the VA: One Year Follow Up Study”

Washington University in St. Louis, George Warren Brown School of Social Work,

Center for Mental Health Services Research St. Louis, MO. P30 MHO68579, PI: E. Proctor

(Washington University in St. Louis, Subcontract Total Cost: \$4,332)

Role: Principal Investigator

- Goal of the Study: To determine which provider characteristics were more strongly associated with training impact (knowledge and efficacy) immediately after suicide prevention training and the provider’s role related to the veterans’ pathways to services at one-year follow up using VA data collected in the Vet Center and VISN 2.

Mar. 2006-
July 2007

National Institute of Mental Health (NIMH)

Developing Center on Public Health and Population-based Interventions for the Prevention of Suicide Supported Pilot Project P20 MHO71897; PI: E.D. Caine, University of Rochester

“College Implementation and Capacity Study”

(University of Rochester Medical Center, Subcontract PI: K. L. Knox)

Role: Co-Investigator; QPR Community Gatekeeper Instructor; Project Coordinator

- Goal of the Study: In collaboration with the PI and Dr. Wendi Cross, assist in the study design, ratings of pre/post role-play skill assessment, monitoring the fidelity of the trainings and role-play ratings, and testing of observational rating scale of gatekeeper competency.

UNFUNDED RESEARCH PROJECTS

June 2014 -
May 2020

Saint Louis University

“The Impact of the Mission Continues Fellowship Program”

Role: Principal Investigator

- Study objectives: Secondary data analysis on the impact of The Mission Continues fellowship program at the individual, family, community, and organizational levels.

Aug. 2011 -
July 2012

Department of Veterans Affairs (VA), St. Louis VA Healthcare System

“OEF/OIF/OND Barriers to Group Therapy” (PI: J. Mastnak)

Role: Co-Investigator

- Study objectives: To explore the barriers of engaging OEF/OIF/OND veterans in evidence-based group psychotherapy for PTSD treatment.

Jan. 2010 -

Washington University in St. Louis, Center for Social Development

“The Mission Continues Research Project”

Role: Principal Investigator

- Study objectives: To characterize the veteran participants who have completed The Mission Continues fellowship program and to describe the impact of their fellowship at the individual, family, community, and organizational levels. Development of web-based survey and interview protocols for alumni and current participants from the fellowship program.

Nov. 2009 -
May 2012

Washington University in St. Louis, George Warren Brown School of Social Work

“Brown School Evidence Based Practice (EBP) Process Project”

Role: Co-Investigator and Co-Instructor for Field Instructors Training (PI: B. Drake)

- Cohort study of MSW students and Field Instructors trained in the EBP Process
- Study objectives: To determine the impact of curricular changes and training regarding Evidence Based Practice (EBP) and the EBP Process as part of the alternative reaffirmation

- project for the Council on Social Work Education.
- Lead developer for a new EBP Process Skill-based Assessment and Rating Scale.

May 2008 -
April 2012

Department of Veterans Affairs (VA), St. Louis VA Medical Center

“Community-based Suicide Prevention Training”

Role: Principal Investigator and Community Gatekeeper Instructor

- 2 related studies with dual (VA and WU) IRB approval as of January 2009:
 - Ongoing study of gatekeeper training with clinical and non-clinical providers in community-based agencies who serve veterans in the St. Louis area (N~1000).
 - Comparison group design to examine the feasibility, acceptability, and impact of gatekeeper training with VA Vocational Rehabilitation and Employment (N~50).

Aug. 2008 -
July 2011

Department of Veterans Affairs (VA), St. Louis VA Medical Center

“Follow-up of Vietnam Veterans at Risk for Suicide”

Role: Co-Investigator; St. Louis VA Medical Center Site PI (PI: R. K. Price)

- Dual (VA and WU) IRB approval for the Washington University Vietnam Era Study, a longitudinal cohort study of drug users and comparison groups of upon their return from Vietnam in 1972 and followed up with nearly 25 and 30 years later.
- Study objectives: To characterize the association of suicidality (e.g., ideation and attempt) with access and barriers to care using mixed methods of quantitative and qualitative interview measures using the secondary data from the most recent wave of the Vietnam Era Study (VES-IV; N=418).

May 2008 -
July 2009

Washington University, School of Medicine, Department of Psychiatry

“Missouri’s Yellow Ribbon Reintegration Program for Citizen Soldiers: Kosovo Cohort Pilot Study”

Role: Co-Investigator (PI: R. K. Price)

- Longitudinal cohort study of Missouri National Guard soldiers (N~1,000) returned from a one-year deployment to Kosovo as part of a NATO Peacekeeping mission.
- Study objectives: To inform the feasibility for conducting the main study targeting the Missouri National Guard service members returning from Iraq and Afghanistan, and to provide preliminary data on a Missouri National Guard population; and to establish this cohort as a comparison group.

Sept. 2005 -
Oct. 2008

University of Rochester, Center for the Study and Prevention of Suicide

“Suicide Prevention Training in the Department of Veterans Affairs (VA): Collaboration with National (Readjustment Counseling Services’ Vet Center Program) and Regional (Veterans Integrated Service Network 2 (VISN 2) VA programs”

Role: Principal Investigator & Community Gatekeeper Instructor (Co-PIs: K. Knox & M. Schohn)

- Study objectives: Longitudinal pre post study to examine the feasibility and impact of gatekeeper training among clinical and nonclinical providers in the Vet Center Program (N=725) and in VISN 2 (N=71).

May 2005 -
Dec. 2006

University of Rochester, Center for the Study and Prevention of Suicide

“Program Evaluation of the Samaritans of New York’s Suicide Awareness and Public Education and Training Curriculum”

Role: Co-Principal Investigator (PI: K.L. Knox)

- Study objectives: Secondary data analysis of suicide awareness training evaluations.

May 2005 -
May 2006

University of Rochester, Center for the Study and Prevention of Suicide

“Pilot Study of Gatekeeper Training and Behavioral Observations of Gatekeeper Skills.

Role: Investigator; QPR Community Gatekeeper Instructor (Co-PIs: W. Cross & K. Knox)

- Study objectives: Longitudinal pre post pilot study to study training outcomes, including skills, from a brief gatekeeper training, to assess the feasibility of incorporating active learning principles (i.e., role play practice) into standardized gatekeeper training, and, to examine employee satisfaction with, and diffusion of information from, gatekeeper training conducted in the workplace at 6 month follow up.

Mar. 2003 -
June 2004

Columbia University, Department of Child and Adolescent Psychiatry

“Evaluation of the Columbia TeenScreen Program”

Role: Project Coordinator (PIs: M. Olfson & C. Lucas)

- Study objectives: (1) Implementation and administration of an internally funded program evaluation of a suicide prevention/mental health screening program in one urban school district; (2) Community collaboration and partnerships with local universities, community stakeholders, and clinical professionals; and (3) Train project staff on research design, screening protocols, clinical assessments, and data collection systems.

Sep. 2001 -
Dec. 2003

Columbia University, School of Social Work
“World Trade Center Project”

Role: Project Director (PIs: A. Ivanoff, S. Lewis, & K. Conroy; B. Blythe, Boston College)

- Study objectives: (1) multi-site longitudinal survey (1, 6, and 12 months) of the impact of 9/11/01 on social work students in Boston and New York and agency based social work professionals in New York; and (2) supervised undergraduate student research interns on research design, data collection systems, and qualitative and quantitative data analysis.

Oct. 2001 -
May 2002

**Substance Abuse and Mental Health Services Administration (SAMHSA),
Center for Substance Abuse Prevention (CSAP), National Center for the
Advancement of Prevention (NCAP), National Registry of Effective Prevention
Programs (NREPP).**

“NREPP: Review of Trauma Prevention and Treatment Programs”

Role: Project Coordinator and Expert Reviewer (PI: S. Schinke)

- Recruited, organized, and evaluated science-based programs in trauma prevention, intervention, and treatment for inclusion in NREPP.

Feb. 2001 -
Apr. 2001

“NREPP: 2001 Annual Summary of Effective Prevention Principles and Programs”

Role: Research Assistant (PI: S. Schinke).

- Literature review and analysis of the current state of science-based substance abuse prevention principles and effective substance abuse prevention programs.

Sp. 2013	SWRK 784	5 Saturday	*! Evaluating Human Service Programs (<i>offsite SLU-Cape Girardeau MSW cohort; co-taught with community partners</i>)	12	2.7

Notes: All courses taught are 3 graduate credit hours. Unless noted as online (asynchronous), courses taught in person.

- 2013-2016: Evaluation was scaled 0 (very poor) to 5 (excellent). A median composite was calculated from the first four questions: “The course as a whole was”; “The course content was”; “The instructor’s contribution to the course was” and “The instructor’s effectiveness in teaching the subject matter was...”
- Fall 2016: BLUE evaluation started, with the evaluation scaled 1 (very low) to 4 (extremely high) and reported for two questions: “Overall, I would rate the quality of the course as...” and “the effectiveness of the instructor as...”;
- Spring 2023: BLUE evaluation revised, evaluation scaled 1 (very low) to 4 (extremely high) and reported the mean for five questions related to the instructor’s clarity of communication, enthusiasm, feedback, respect, and availability.

*Initial class preparation; +Existing class developed for online delivery; ! Co-teach; CE=Continuing Education participant.

INDEPENDENT STUDY COURSES

Doctoral and MSW Programs, School of Social Work, Saint Louis University

Term	Course	Student Name, Title, Credit Hours	Student #	Evaluation
Fa. 2024	SWRK 5890	Doctoral Student Independent Study (Aaron Laxton – 3 graduate credits) Spatial Reasoning and Opioid Use Disorder	1	none
Fa. 2024	SWRK 5890	Independent Study (Stacy Meers – 3 graduate credits) Exploring Psychedelic-Assisted Therapy: History, Policy, Practice and Social Work.	1	none
Sp. 2023	SWRK 5890	Independent Study (Becca Mudder – 3 graduate credits) Mindfulness Based Stress Reduction (MBSR)	1	none

CE CURRICULUM DEVELOPMENT

Saint Louis University, School of Social Work

April	2025, 2026	“Social Work LMSW Licensure Preparation Course” co-developed with Rachel Crowe ▪ Co-design, development and facilitation of prep course with Rachel Crowe for the Licensed Masters Social Worker (LMSW) exam preparation course for SLU SSW students
-------	------------	--

Saint Louis University, School of Public Health, Heartland Center.

Jan.	2012	“Primary Prevention of Sexual Violence” ▪ Consultant on the initial design, content, and materials for 6 modules of an online course.
------	------	---

University of Southern California, School of Social Work, Center for Innovation and Research on Veterans and Military Families, Military Social Work.

- June 2010 “Health Challenges for Wounded Warriors and their Caregivers”
- Co-developed a 3-hour graduate level course syllabus with J. Hayes for military social work on health, illness, and disability among veterans and their caregivers.
 - Developer of course content, teaching materials, assignments, and grading rubrics for 15-week online course.
 - Co-instructor for 2-day CEU course held on May 20-21, 2011, Los Angeles, CA.

Denver University Graduate School of Social Work

- Dec. 2004 “Social Work Licensure Preparation Course”
- Design and development of curriculum-based, self-study Exam Study Guide.
 - Course materials tailored to the 11 examination content areas for the Licensed Clinical Social Worker (LCSW) and Advanced Generalist exams.
 - Content analysis of entire MSW curriculum at GSSW using 13 content areas.
 - Review of over 100 textbooks recommended as study material for exams.
 - Creation of 2 (modular) versions of the course material and self-study flash cards.

MENTORING AND ADVISING

JUNIOR FACULTY TRAINING GRANTS/MENTORING

- 2022-2023 Rajinder “Sonia” Singh, “Evaluating VA’s Nationwide LGBTQ+ Veteran Care Coordinator Program” Department of Veterans Affairs (VA), Office of Research and Development (ORD), Quality Enhancement Research Initiative (QUERI), Advance Diversity in Implementation Leadership (ADIL).

Assistant Professor, Department of Psychiatry, University of Arkansas for Medical Sciences
<https://psychiatry.uams.edu/research/center-for-health-services-research/faculty-and-staff/rajinder-sonia-singh-ph-d/>

POST-DOCTORAL TRAINING GRANTS/MENTORING

- July 2014- June 2016 Karen Lawrence, Washington University in St. Louis, Brown School NIH Loan Repayment Program and T32 Post-doctoral Training Program in Mental Health Services Research and Implementation Science with a focus on Veterans with PTSD and TBI.

Associate Professor, University of Kentucky College of Social Work
<https://socialwork.uky.edu/about-us/college-directory/dr-karen-lawrence/>

DISSERTATION COMMITTEES

- Nov. 2025-Apr. 2026 McKenna Walsh, Saint Louis University, Marriage and Family Therapy PhD.
- Jan. 2025 - Charvonne Long, Saint Louis University, School of Social Work, PhD.
- Oct. 2024 - Harly Blumhagen, Saint Louis University, School of Social Work, PhD.
- Jan. 2024-May 2026 Aaron M. Laxton, Saint Louis University, School of Social Work, PhD.
- Aug. 2021-Aug. 2023 Chanel Mitchell, Saint Louis University, School of Social Work, PhD. (Chair)
- July 2021-Jun. 2022 Christopher Conley, School of Social Work, University of Alabama, DSW.
- Aug. 2020-Aug 2022 Rebecca Taylor, Saint Louis University, School of Social Work, PhD.
- Dec. 2020-Aug 2022 Brandy Fox, Saint Louis University, Health Care Ethics, PhD.
- June 2020 Tyler Glassford, Saint Louis University, School of Social Work, Applied Behavioral Analysis, PhD.

Aug.	2016	Sarah Underwood Rossolimo, Saint Louis University, School of Social Work, PhD.
Oct.	2008	Jason Pagan, Washington University in St. Louis, Psychology Department, PhD.

GRADUATE SCHOOL (RESEARCH PRACTICUMS AND INTERNSHIPS)

MPH Preceptor, VA Central Arkansas Healthcare System & Boston University School of Public Health

June 2023- present	Supported development of reporting guidelines for congressionally mandated reports through literature review, survey design, and Delphi panel planning; applied policy analysis and qualitative methods to advance evidence-based federal health policy.
	- Mentored MPH practicum students in applied public health policy research and practice. - Olivia Ott: 16 June 2025 – 2 Dec 2025 - Holly Gurnik: 12 June 2024 – 30 Sept 2024 - Cindy Hanson: 30 June 2023 – 30 Sept 2024 - Supervised development of qualitative and quantitative analysis, program evaluations, and report development. - Provided ongoing feedback and evaluations on student performance. - Facilitated interdepartmental collaboration and team-based learning on applied research and evaluation projects to support student learning objectives.

MSW Field Instructor: Saint Louis University School of Social Work

May Aug.	2014- 2014	Elizabeth Ray (foundation practicum) <i>Development of a Toolkit to Support Enhanced Use of Behavioral Rehearsal Methods in Suicide Prevention Training.</i>
Jan. Aug.	2014- 2014	Thalia Seligson (foundation and 2 credits concentration practicums) <i>Program Evaluation of The Mission Continues Fellowship Program: Bravo Cohort & Organizational Change and Family Impacts of The Mission Continues Fellowship Program.</i>
Jan. Aug.	2014- 2014	Steve Wahle (foundation and 2 credits concentration practicums) <i>Measuring the Success of Student Veterans & Curriculum Redesign of The Mission Continues Fellowship Program: Bravo Cohort</i>

MSW/MPH Field Instructor, VA St. Louis Health Care System & Brown School of Social Work

July May	2013- 2014	Jaclyne Smith (MPH Field Education and CE Supervisor (2 semesters) <i>Understanding the Facilitators and Barriers in Providing and Coordinating Care of Pregnant Female Veterans</i>
-------------	---------------	---

MSW Field Instructor: VA St. Louis Health Care System & George Warren Brown School of Social Work

Aug. Dec.	2013 - 2013	Karen Lawrence (1 graduate credit hours (2 nd year concentration) <i>Program Evaluation of The Mission Continues Fellowship Program: Bravo Cohort</i>
Jan. May	2013- 2013	Miranda Buxton (2 graduate credit hours (2 nd year concentration) <i>Stakeholders Perspectives on VA's Suicide Prevention Services</i>
Jan. Aug.	2011- 2011	Angela Swensen (3 graduate credit hours (1 st year foundation) <i>Mental Health Services Research: Interpersonal Violence and Trauma among Veterans</i>
